

Our Safeguarding Policy Statement

As leaders and trustees of _____ church we are fully committed to safeguarding the welfare of our members and those entrusted to our care.

This safeguarding policy statement along with the guidelines and procedures outlined in the Safeguarding Vulnerable Groups Handbook, forms our safeguarding policy and procedures.

We acknowledge that children, young people and adults can be the victims of abuse and neglect and we recognise our obligation to ensure their safety in the activities carried out in the name of this church. We aim to provide a caring environment and to respond sensitively and immediately to any concerns. Members of the church, paid staff and volunteers will show respect to others, promote the ethos of listening to children and vulnerable people and conduct themselves in a manner that reflects the principles of the Christian church.

The church will care for children, young people and vulnerable adults and safeguard them by following good practices in relation to the following:

- **Responding appropriately to concerns and allegations** (Handbook Sections 3.2 and 4.2) In line with our policy and guidelines we undertake to respond immediately when a suspicion of abuse or any other concerns or allegations are drawn to our attention. We undertake to co-operate with the Local Authority or the Police if an investigation is launched.
- **Safer Recruitment for workers and volunteers** (Handbook Section 2) including DBS checks every 4 years for eligible workers, leaders and trustees.
- **Training and supporting our workers and volunteers** in their role and in the protection of children and vulnerable people.
- **Promoting good working practices** (Handbook Sections 3.1 and 4.1) and creating a safe environment.

NOTES ON THIS CHURCH SAFEGUARDING POLICY STATEMENT

The aim of this individual church policy statement is to clearly state your church's commitment to safeguarding vulnerable groups. This is in line with best practice and a requirement of many insurance companies.

This **Safeguarding Policy Statement** along with the guidelines and procedures outlined in the **Safeguarding Vulnerable Groups Handbook** (see endnote 1), and any subsequent updates, forms your safeguarding policy and procedures.

They have been adopted by all Presbyterian Church of Wales churches and all churches that are members of the Union of Welsh Independents and the Baptist Union of Wales (the 3 denominations) unless they have formally informed their relevant denomination that they have adopted other procedures due to a local ecumenical partnership agreement or other interdenominational arrangement.

Putting your policy into practice

- A copy of this safeguarding policy statement (page 1) should be displayed prominently and permanently in the church building and replaced annually / when contact details change.
- The policy statement (page 1) should be read annually at a church meeting / AGM.
- Safeguarding is everyone's responsibility, but local church leaders (trustees/deacons/elders and ministers) have additional responsibility to ensure that the policy is put into practice. The appointment of a local safeguarding coordinator is advised.
See roles and responsibilities below.
- All those who work or volunteer with children and/or adults should have access to a full copy of the safeguarding policy and procedures and sign to confirm that they will follow them. They should attend training to ensure that they are familiar with the policy and understand what to do if they are concerned about a situation or individual.
- The policy and procedures can be found in the Safeguarding Vulnerable Groups Handbook which is available in each church and is also on the Panel website.

Roles and Responsibilities

To facilitate the effective operation of the Safeguarding Policy it is highly recommended that each church appoints a Safeguarding Coordinator. (A church can also appoint a Safeguarding Trustee.) See endnote 2 on page 3 for details of these roles and responsibilities.

Each church is expected to notify the Panel Office of the name and contact details of the Safeguarding Co-ordinator but if the Panel Office has not received a notification of a named Safeguarding Coordinator it will be assumed that the church secretary is the church safeguarding contact and all DBS correspondence and any queries will be directed to them.

The local safeguarding contact(s) will work closely with the Interdenominational Safeguarding Panel Officers to ensure that DBS checks are carried out in a timely manner and be the first point of contact if there are any safeguarding queries or concerns.

PLEASE NOTE:

It is not the role of the local safeguarding person to make decisions regarding safeguarding incidents or disclosures. The church should contact the Panel Safeguarding Officer.
